Recovering Together

Join us as we experience the tranquility of this lovely Retreat setting.

We'll be exploring our theme of "Step into the Realm of the Spirit" with meetings and sharing, and a 24hr silence period together. The extensive monastery property offers many areas for walking, and places to rest and meditate. There will be contemplative arts and crafts and other inspirational activities in which you may choose to participate. On Saturday evening, we'll come together for a ceremony to close our silent period and share our experiences.
